

Come and join us for another spectacular evening's viewing of the night sky!

The Derby and District Astronomical Society will be back at the Brookfield Social Club from mid-day to mid-night!

*This year's theme -
The Solar System*

Come and see a thousand delights of the night sky and some great solar observing in the daytime!

*Children's competition
First prize - starter telescope
Runners-up - astro books*

*Hot and cold food
available!*

*New meteorite
collection!*

Come and join us at :
**The Brookfield Social Club, Barrow-on-Trent,
Saturday, October 21st from mid-day onwards**

What's on offer ...

Solar observing and telescopes outside
Photos of the Solar System
New meteorite collection
Moon globe
Model rocket launcher
Videos, books and expert advice and much more

This year's event is dedicated to the late Clive Edginton, a great friend of Brookfields, who was instrumental in setting up these annual astronomical events.
