

STARGAZING 2013 at Burton Library

If you're starstruck by **BBC Stargazing** this New Year, why not come and learn more with our fun events in the **library!**

Saturday 12 January, all day

STEP INTO THE SPACE DOME!

ThinkTank's team will be in the library all day with their huge dome. Come and journey through the solar system, experiencing our fantastic night sky all around you inside the dome. **FREE** places can be booked for adults or children aged 7+ throughout the day in 30 or 45 minute shows (*limited spaces available*).

Thursday 17 January, 7:00 - 9:00pm

STARHOPPING

A **FREE** talk by *Bob Richardson of Derby & District Astronomical Society*.

Bob will explain what the night sky looks like, how to identify objects, and will bring along his telescopes. Chris Goodhead Photographic will be there with some scopes and binoculars and plenty of advice.

For anyone aged 12 and over. Tickets from the library.

Philips Planispheres will be for sale on the night for just **£3** - while stocks last!
